

Bus Driver

In operation since 1996, Berkeley Charleston Dorchester Rural Transportation Management Association d/b/a TriCounty Link is comprised of 9 regular fixed routes and 4 commuter routes that provide services to rural residents of Berkeley, Charleston and Dorchester counties. Our headquarters is in the small town of Moncks Corner and offers a relaxed working environment in a recently renovated building. The office is centrally located near local shops and restaurants. Moncks Corner is also a place for those that enjoy outdoor activities the low country has to offer including hunting, fishing, hiking, boating and horseback riding in the surrounding forest, lakes and streams.

We have full and part-time opportunities open for Bus Drivers. In order to be eligible for employment you will need to have a CDL license with passenger endorsement. Additionally, you will need to provide a certified copy of your motor vehicle record (MVR) for 10 years and a copy of your physical exam from a DOT certified provider.

A comprehensive benefit package is offered to full-time employees and includes the State Health plan, South Carolina Retirement System, paid vacation and sick days, paid holidays, optional 401(k) and supplemental insurance benefits. All employees are provided uniforms, and are invited to a quarterly safety meeting where breakfast or lunch is provided along with relevant information about the industry.
