

## Vehicle Operator/Bus Driver

In operation since 1996, Berkeley Charleston Dorchester Rural Transportation Management Association d/b/a TriCounty Link is comprised of nine (9) regular fixed routes and four (4) commuter routes that provide services to rural residents of Berkeley, Charleston and Dorchester counties. Our headquarters is in the small town of Moncks Corner and offers a relaxed working environment in a recently renovated building. The office is centrally located near local shops and restaurants. Moncks Corner is also a place for those that enjoy outdoor activities the low country has to offer, including hunting, fishing, hiking, boating and horseback riding in the surrounding forest, lakes and streams.

We have full-time and part-time opportunities open for Bus Drivers.
