

TriCounty Link (TCL) is exploring a range of ideas to improve mobility across Berkeley, Charleston, and Dorchester Counties. The ideas described here are **concepts for discussion—not recommendations**. We're asking for community feedback to help us understand what matters most before any decisions are made. **We are seeking your feedback on how services could change both in the near future (within 3 years) and in the long term (within 10 years).**

Near-term (by 2028) improvements for this service:

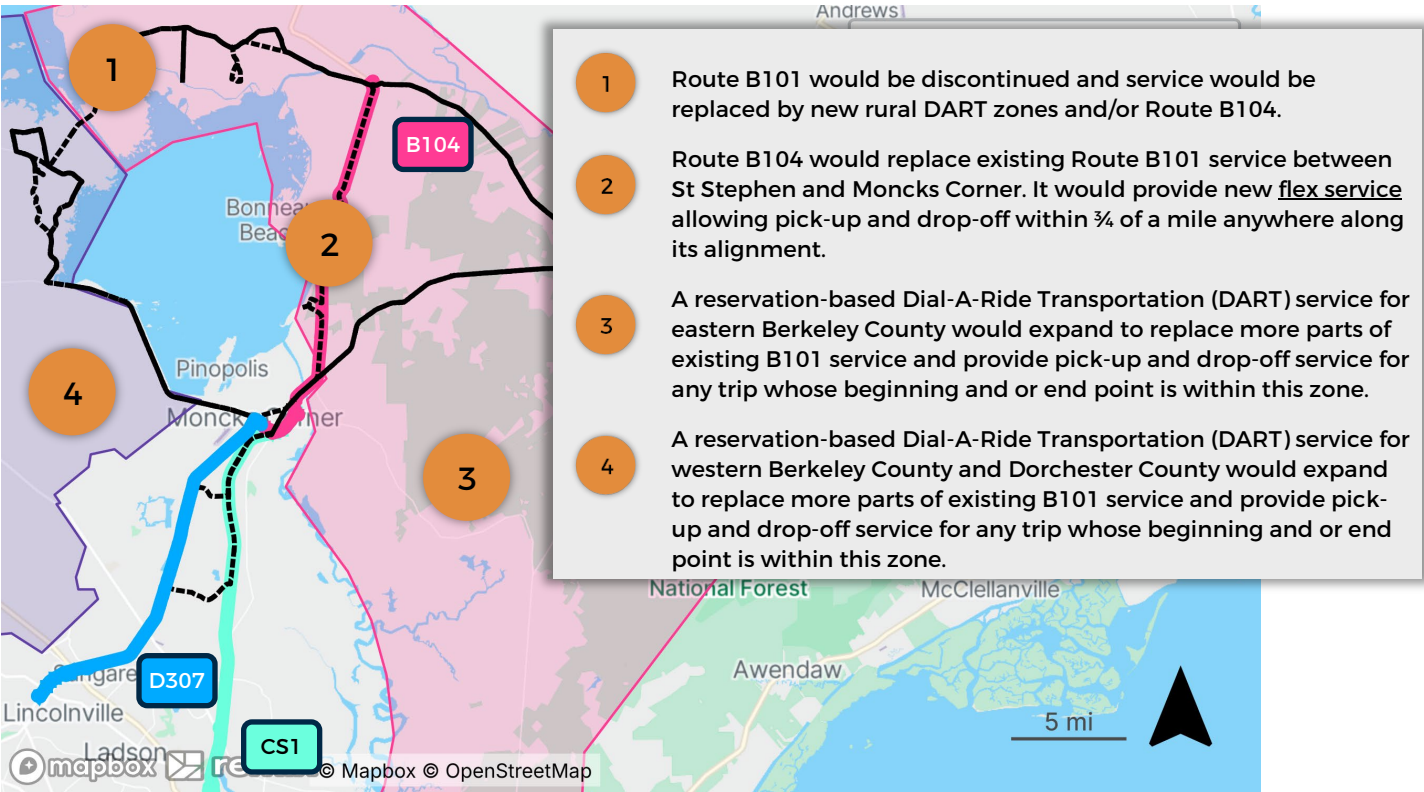

Near-term schedule changes for this concept:

- Fixed route service would operate on **a similar schedule**, adjusted to account for the new alignment. DART service would be **available for the entirety of the morning and afternoon rush hour periods, an increase in service over what is provided today**. It would continue to operate on weekdays only.

	B101 Existing	Proposed B101	Proposed DART	Proposed D305	Proposed CS1
