

TriCounty Link (TCL) is exploring a range of ideas to improve mobility across Berkeley, Charleston, and Dorchester Counties. The ideas described here are **concepts for discussion—not recommendations**. We’re asking for community feedback to help us understand what matters most before any decisions are made. **We are seeking your feedback on how services could change both in the near future (within 3 years) and in the long term (within 10 years).**

Near-term (by 2028) improvements for this service:

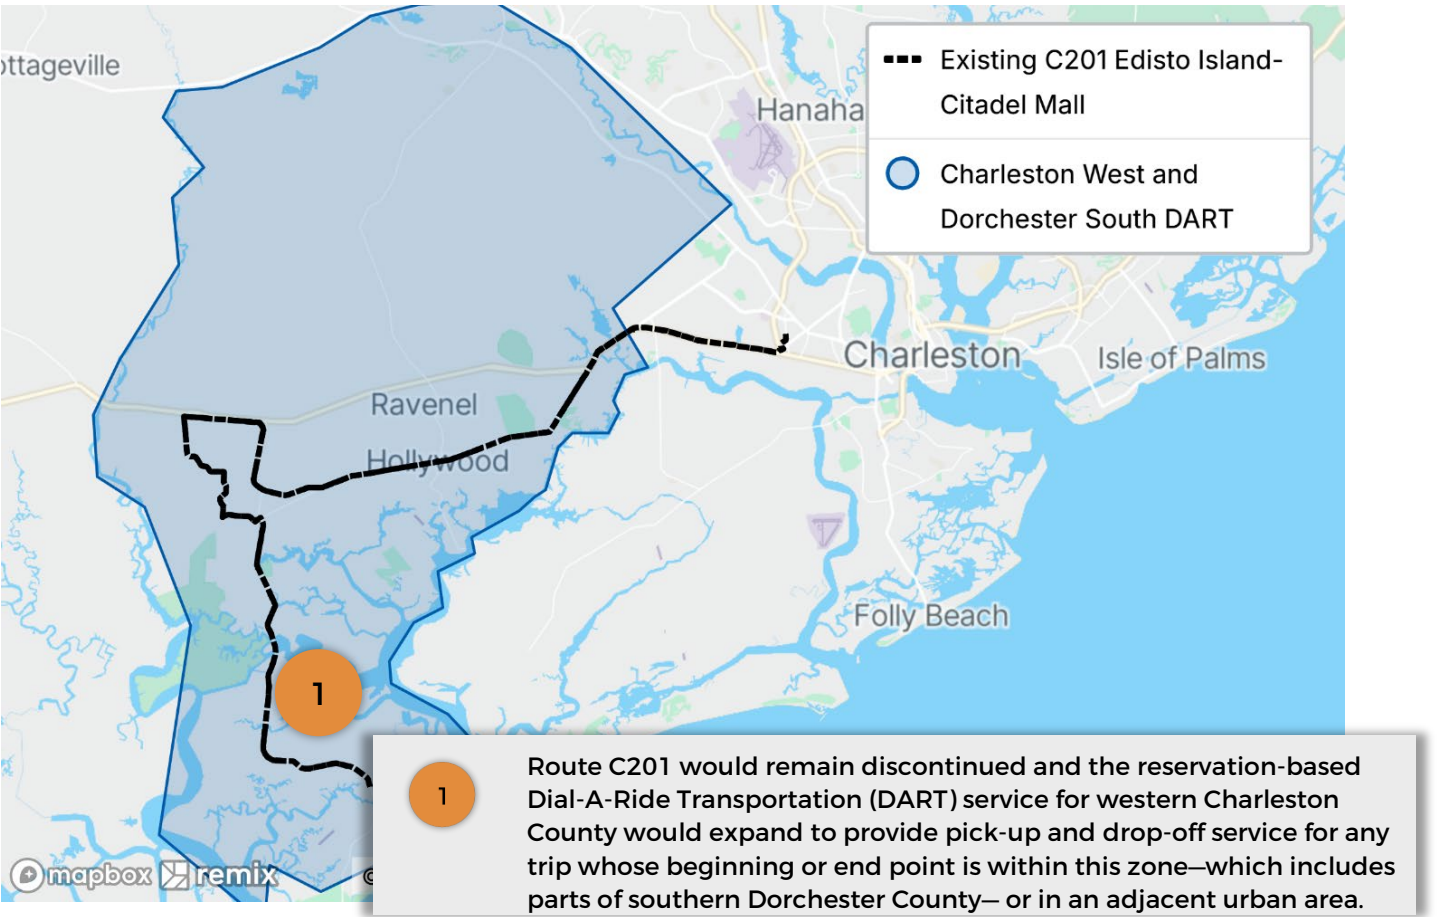

Near-term schedule changes for this concept:

- Service would be **available for the entirety of the morning and afternoon rush hour periods, an increase in service over what is provided as today**. It would continue to operate on weekdays only.

| Service Day | Existing C201 | Proposed Charleston West DART |
|-----------------------------|--------------------------------------------------------------------|-------------------------------|
| Weekdays (Monday-Friday) | 6 – 7:30 AM: One inbound trip 5:15 – 6:45 PM: One outbound trip | 6 – 9 AM 3 – 6 PM |
| Saturdays | No service | Unchanged |
| Sundays | No service | Unchanged |

Long-term (by 2035) improvements for this service:

Long-term schedule changes for this concept:

- DART service would **expand to operate all day** and continue to operate on weekdays only.

| Service Day | Existing C201 | Proposed Charleston County West and Dorchester County South DART |
|--------------------------|--------------------------------------------------------------------|------------------------------------------------------------------|
| Weekdays (Monday-Friday) | 6 – 7:30 AM: One inbound trip 5:15 – 6:45 PM: One outbound trip | 9 AM – 5 PM |
| Saturdays | No service | Unchanged |
| Sundays | No service | Unchanged |

How can I provide feedback on these draft concepts?

TriCounty Link wants to hear from you! These draft concepts are ideas for potential near- and long-term transit improvements—not final recommendations. Tell us what you think by completing the online survey at <http://ridetricountylink.com/transitstudy> or by following this QR Code. Your input will help shape how TCL invests in future mobility options across the Tri-County region.
