

DRAFT CONCEPTS FOR IMPROVING ROUTE CS1 (MONCK'S CORNER / NORTH CHARLESTON)

TriCounty Link (TCL) is exploring a range of ideas to improve mobility across Berkeley, Charleston, and Dorchester Counties. The ideas described here are **concepts for discussion—not recommendations**. We're asking for community feedback to help us understand what matters most before any decisions are made. **We are seeking your feedback on how services could change both in the near future (within 3 years) and in the long term (within 10 years).**

Near-term (by 2028) improvements for this service:

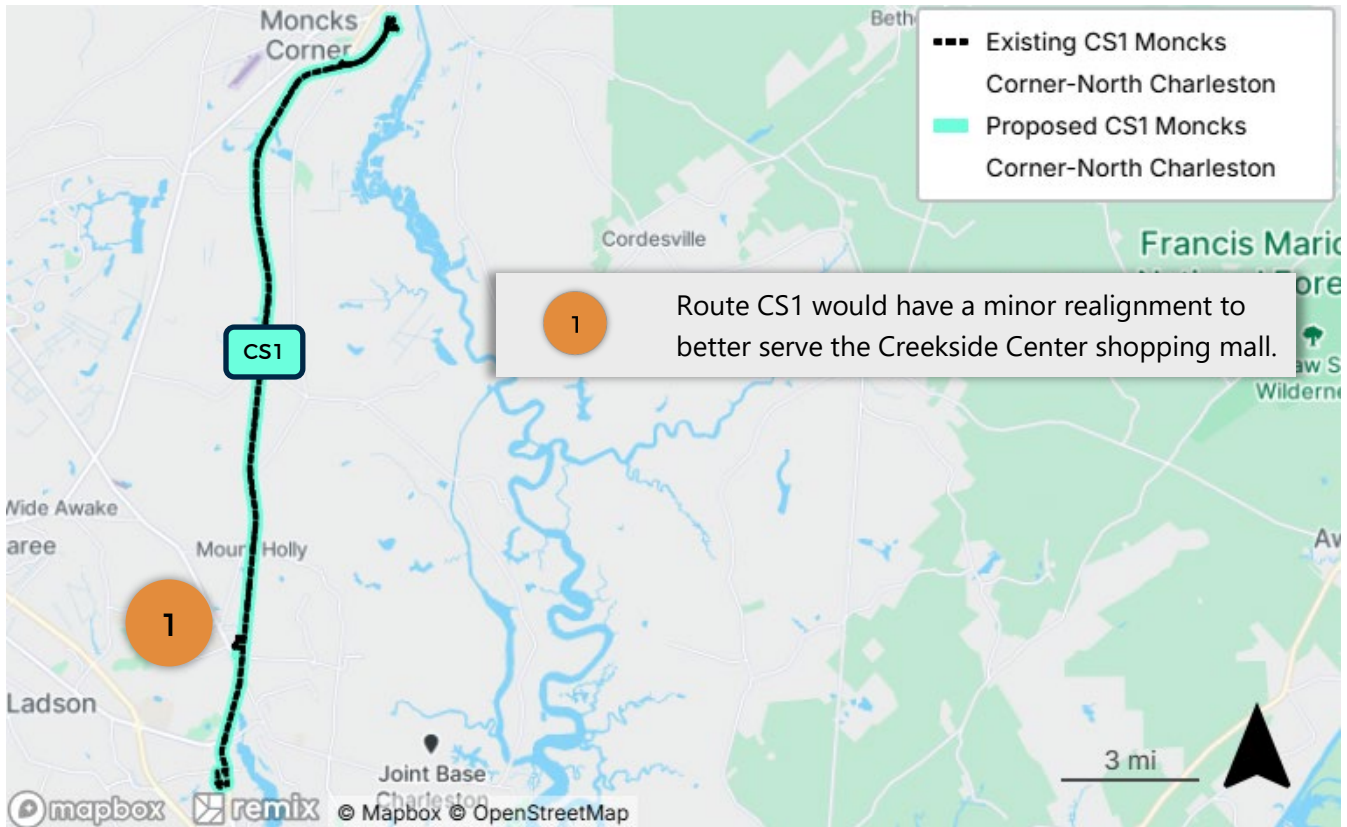

Near-term schedule changes for this concept:

- Route CS1 would **continue to offer similar service levels** as it slightly realigns to better serve the Creekside Center shopping mall. DART service would supplement existing CS1 service along the Goose Creek boulevard corridor and be **available for the entirety of the morning and afternoon rush hour periods**. It would continue to operate on weekdays only.

Service Day	Existing CS1	Proposed CS1	Proposed DART
Weekdays (Monday-Friday)	5:30 – 8:50 AM 3:30 – 7:25 PM Every 30-55 minutes	5:30 – 9 AM 3:30 – 7 PM Every 30-60 minutes	6 – 9 AM 3 – 6 PM
Saturdays	No service	No service	No service
Sundays	No service	No service	No service

Long-term (by 2035) improvements for this service:

Long-term schedule changes for this concept:

- Route CS1 would operate the same alignment described in the near-term concept but with significantly more service. Weekday service would operate **trips every 30 minutes in the peak periods** and **hourly trips during midday**. The route would also **expand service to the weekend with trips every hour. It would serve new bus stops along US 52.**

Service Day	Existing CS1	Proposed CS1
Weekdays (Monday-Friday)	5:30 – 8:50 AM 3:30 – 7:25 PM Every 30-55 minutes	5:30 AM – 7:30 PM 30/60 Minute Peak/Off-Peak
Saturdays	No service	9 AM – 5 PM Hourly
Sundays	No service	10 AM – 3 PM Hourly

How can I provide feedback on these draft concepts?

TriCounty Link wants to hear from you! These draft concepts are ideas for potential near- and long-term transit improvements—not final recommendations. Tell us what you think by completing the online survey at <http://ridetricountylink.com/transitstudy> or by following this QR Code. Your input will help shape how TCL invests in future mobility options across the Tri-County region.
